

My Name is Vanessa Richardson I am a family School Support Worker at Silverwood School Trowbridge Campus. I have worked at the school for the past 4 years as a Teaching Assistant and previous to this role I was a Day Service Manager for Adults with Learning difficulties for Wiltshire Council.

I have a great connection to this role as I have a child with additional needs and have learnt over the years how to make referrals and finding out information to help support my child as well as myself I now share my knowledge with other parents/Carers.

My role is to provide support to families acting as a link between school and home offering non-Judgemental advice and guidance. Please feel free to come have a chat with me if you need support.
