

Head Teacher – Mr M Loveridge

10 September 2020

Term 1 – Co-operation

The value that we will focus on in Term 1 is **Co-Operation**. Included with our newsletter is a poster about this value for you to have at home. If you would like to work with us to explore and develop this value, here are a few ideas for you to use at home:

- Display the Co-operation Poster at home and refer to it when members of the family show that they are being guided by this value;
- Use the sentences from the poster about co-operation as a starting point for talking together.
- Aim to be a role model of co-operation.
- Co-operation is helping one another.
- Co-Operation is working together with patience.
- Co-operation is working together to reach a goal.

Head Teacher Commendation Award

Congratulations to **Andrew** in **Apple** class who was recently presented with the 'Head Teacher's Commendation Award' for his amazing work over the lockdown period on Education City – gaining 100% in many tasks, well done!

Covid-19

Can I please remind all parents/carers that if anybody in your household bubble develops Covid symptoms then children should not be coming to school until the person with symptoms has received confirmation of a negative test result. If your family does find itself in this position, please contact the school via the school office.

I have attached a flow chart to the newsletter that should explain the process in the event of a suspected or confirmed Covid case.

Parent/Carer Feedback

If you would like to feedback about the home learning procedures throughout the time students have been at home due to Covid-19; please email admin@rowdeford.wilts.sch.uk to either share your thoughts or to arrange a phone call. We would love to know what went really well as well as anything

that was a challenge!

School Transport and Face Coverings advice from County

Where your son / daughter can, they should wear a face covering if they are over 11 years old whilst on school transport. There is no requirement for children who are exempt to wear one, although it is strongly recommended.

It is the responsibility of the parents and students to make sure they wear a face covering. Drivers are not responsible for enforcing face coverings, neither are we encouraging them to challenge students. Please have a closer look at the FAQs on our website for more detail regarding home to school transport.
